Charge Sheet against Otto John

Attached herewith is a single photocopy of the Oberbundesanwalt's original charge sheet of 18 January 1956 on the basis of which JOHN was bound over into the pre-examination stage (Voruntersuchung). We obtained this document from CARPETMAKER on the assurance we would not reproduce it. We regret having to betray his confidence in this way, but felt it might be of use in comparing with the final charges under which JOHN was indicted at the end of the examination period (Untersuchung). We have requested and been assured of receipt of a copy of the charges (Anklageschrift). We regret not being able to produce additional copies owing to the extreme inefficiency of the unicopy method. Perhaps you will wish to forward this copy to EE for retention and study.
